AREA INFORMATION

MONTECITO

Situated between the mountains and the sea and boasting a near-perfect year-round climate, Montecito has become one of the most exclusive and attractive communities in the world. Home prices begin at nearly \$2 million and go up to \$45 million and more. Along with a coterie of movie stars and celebrated authors, some dozen billionaires either call Montecito home or maintain second homes here. The community is consistently ranked by Forbes magazine as one of the wealthiest in the United States.

Coast Village Road is Montecito's main retail corridor, offering sophisticated shopping and dining on a small-town scale and has been described as a laid back version of Rodeo Drive in Beverly Hills.

Overlooking Butterfly Beach, the fabled oceanfront Four Seasons Biltmore is one of the few five-star establishments in California. Other Montecito attractions include Lotusland, El Fureidis, Music Academy of the West, Casa del Herrero, and San Ysidro Ranch and Montecito Inn. There are three private golf courses in Montecito: Birnam Wood, The Valley Club and Montecito Country Club. The Knowlwood Tennis Club and Coral Casino offer both swim and tennis clubs for their members.

Consistently ranked among the top 100 liberal arts colleges by *US News and World Report*, Westmont College is nestled on an idyllic campus in Montecito.
